

MLPC Becomes ISO Certified

Miamisburg, Ohio—January 16, 2007— On January 12, 2007 Mound Laser & Photonics Center, Inc. (MLPC) achieved ISO 9001:2000 Registration with the scope of laser marking, laser welding, and laser micromachining. MLPC used Eagle Registrations, Inc. to complete its registration.

“MLPC continually strives to provide a service with fast turnaround, quality work, and competitive pricing. The implementation of a formal quality system was the next logical step as our company continues to grow.” says Manager of Sales and Marketing, Kevin Hartke.

About MLPC: Mound Laser & Photonics Center, Inc offers laser marking/engraving, laser welding, and laser micromachining contract manufacturing and R&D services.
